DISCLOSURE STATEMENT

Advance ER- Galleria, LLC is a licensed Free-Standing Emergency Center. We function like a hospital-based emergency room.

This facility is considered an out-of-network provider for all health benefit plans.

At the time of your visit, we will collect your emergency room copay and bill your insurance provider for your emergency room benefits. Individual plan deductibles and coinsurance notwithstanding, and any non-reimbursed balance will be your individual responsibility.

This facility charges a facility fee for medical treatment. The average facility fee for patient treatment is: \$2,133.65

This facility charges an observation fee for medical treatment. The average observation fee for patient treatment is: \$2,443.75 per hour

Note: Time spent in observation care is generally 4-23 hours
